Skillfully landscaped, Lake Watch luxury showcases incredible Cayuga Lake views.

The open main level glows like amber when the morning sun floods through the windows.

2-story foyer features a sparkling chandelier that reflects off the Italian marble flooring like the nights sky.

Great room is just that, with a 17' ceiling emphasized by the wall of windows that face the northeast end of Cayuga Lake – making it the heart of the home when the sun sets over the hills.

The gas 2-sided fireplace can set the ambiance not just in the great room, but the study as well.
